## Editor's Letter

Goodness gracious me – a quick look at the schedules tells me we're already over half way through 2014 already! That can't be right, can it? Why it seems like only yesterday we were worrying ourselves silly about the millennium bug! Still, calenders tend not to lie, so there's no doubt about it – we're nearer 2015 than 2013! Thankfully we've hit on a crafty way of taking everyone's minds of the remorseless march of time – a load of saucy babes taking their clothes off! Who cares if it's 2014 or 2525 – as long as girls look like this and are equally as horny, everything will be well with the world!

## Dear Michelle,

I got married quite young and while I definitely don't regret it, my missus has lost interest in sex over the years – particularly the more kinky and adventurous stuff. That's why I've been playing away for a while now, and it seems that as long as I don't rub her face in it or get emotionally involved, she turns a blind eye to it.

For the past couple of months I've been seeing Tanya, a girl I met at a works do in a busy bar. She's nine years younger than me and when I first clapped eyes on her she was dressed to kill in a little black dress and knee-length boots; I didn't think I stood a chance but she came over and struck up a conversation, asking me to buy her a drink and fluttering her eyelashes at me. If I was surprised that she'd approached me, I was even more so that she hung around me for most of the evening – she couldn't have made it more obvious that she was interested in me – so I thought, why not go for it. After broaching the idea with her, I ended up booking a hotel room and Tanya snuck away to meet me twenty minutes after I left.

She was well up for it, nibbling my ear in the taxi and virtually humping my leg as we had a stand-up snog inside the room. I discovered she had a great rack and I could have spent the night just playing with them, but apparently she wanted to move things on, freeing my prick from my pants and rubbing it hard a few times in her fist. Breaking away momentarily, she took a little tube of lubricant from her handbag (was this girl prepared, or what?) and squirted a big glob of it on her palm before starting to wank me properly. If I shut my eyes, it felt like I was fucking the tightest, wettest pussy, which I learnt was Tanya's speciality. It turned out she knows all these little sexual tricks, like twisting her grip and rubbing her palm over my cockhead, and when she started wanking me hand-over-hand, I had to grit my teeth and clench my arse and crotch muscles to stop myself coming prematurely.

I grabbed her arse and gave it a squeeze, hoping that the fact she was carrying lube around with her meant she liked a bit of backdoor action. And sure enough, she let out a small, breathy moan as I groped her peachy cheek, encouraging me to go further. As my fingers lifted her dress, burrowing under her g-string and into her crack to give her arsehole a little tickle, her groans grew louder and she parted her legs to give me fuller access.

Deciding we were way too clothed, I stripped her naked except for her kinky black boots, and bent her over the hotel bed. With her high heels on and her legs slightly splayed, she was the perfect height for me. I gave her clit a frig, just to make sure she was warmed up, dragging my fingers back across her pussyhole, enjoying the dampness I found there. Realising she wasn't yet wet enough for what may be in store I smeared lube all over her winking arsehole and my rock-hard shaft. I asked her where she wanted me to fuck her. "Anywhere you like," she purred, so, just to wind her up, I held her arsecheeks wide open, but then shoved my prick hard inside her cunt. It was so warm and juicy I could have stayed there till I came, but I knew what she really wanted – what we both wanted.

Sure enough, she let out a gasp of pleasure when I slid my thumb up her arse, stirring it around as I screwed her dripping snatch. Then, making sure my cock was soaking wet, I slipped that in instead, pushing slowly and gently so I felt every inch of it sink in.

She liked it deep and grinding, reaching back to hold me inside her, right down to

JAYE WHIZZ!

## Dear Michelle,

Although I've been a huge fan of your sister title *Mayfair* for many years, I have to confess, to my shame, that I've never really read *Men Only* before *(Forsooth! – The Ed.)*.

However, I couldn't resist buying your latest issue when I saw that it would be featuring one of my favourite models – Jaye Rose (79.05)! Wow, what a joyous set of photos you've published of that lovely lady! Glorious and curvy, warm, glowing, sweet and naughty – Jaye Rose with her A1 glamour, and natural, pretty 'girl next door' charm.

I love trying to paint all the saucy ladies that appear in the magazines, and I think all your models deserve artistic tributes – and I've enclosed my latest offering to Rose, which I'd be thrilled if you could pass on to the girl herself.

It's fantastic to see some of the faces (not to mention bodies) I've seen in *Mayfair* appear in *Men Only* as well – Kelly McGregor and Jennifer Jade – as well as stunning girls who are new to me, like the Incredible Idelsy with her dark raven tresses.

I'm now a convert, and will be treating myself to a double portion of monthly bliss from now on!

*Gabriel, London.*

**Michelle says: Well, better late than never, Gabriel! I'm glad you liked the mag – and thanks for your painting of Jaye – unfortunately we couldn't print it because it wouldn't scan too well. Enjoy your double helpings of Paul Raymond naughtiness!**

# HANNAH

Photos: Twistys

The longest day of the year is more or less upon us, which means you've got more time than ever to peruse this latest issue of *Men Only*! So with that in mind we thought we'd make it worth your while putting in those extra few minutes by kicking off with a set of one of the hottest new babes we've come across in the last year or so, Britain's very own Hannah Zebedee! Yes, we know what you're thinking – that's quite an unusual name, isn't it? So we couldn't help wondering if she was related to either a) A moustachioed red ping-pong ball on a spring, or b) some bloke out of the New Testament. It seems not…

"Oh God! I don't know anything about the bloke from the Bible, but that bloody Zebedee from *The Magic Roundabout* made my life a misery when I was a little girl! Especially when my Dad got me a pogo stick one birthday!"

Yikes – that does sound like a traumatic childhood. Still, we can't help thinking a lot of our readers wouldn't half mind seeing you bouncing up on down on a stick… although not of the pogo variety. That would certainly be more magic than any bloody roundabout!

...Continued from page 4

my nuts. I gave her a reach-around too, one hand holding her lips apart so I could give her clit a good hard frigging with the other one. This seemed to do the trick for her as she climaxed twice consecutively, and as she came her arse muscles constricted tightly around my erect knob, I found it increasingly difficult to stop myself from flooding her cave with my creamy seed. Despite this, the juices I felt gushing out of her unplugged fanny made it harder for me to resist thrusting in and out; gaining speed each time I found a rhythm. Not that she cared – whenever I stopped and tried to go back to grinding now, she'd slam her arse against me until I started fucking in and out again. Not surprisingly, this was all getting too much for my swollen balls and I really wanted to come.

Starting slowly, I built her right up to the brink of another orgasm and, as her arse clamped once more around my shaft, my spunk exploded inside her, filling her to the brim. I grabbed her hips, pulling her on to me as hard as I could, then gave her tits one final squeeze, which seemed to get a few more orgasmic ripples from her.

> "I found it increasingly difficult to stop myself flooding her cave with my creamy seed."

I got a bit of a hat-trick that night, as she let me spunk in her arse, pussy and mouth, but as we got dressed after a shower together the next morning, she told me I'd have to meet up with her again for a repeat session if I fancied a tit-wank. Obviously I did, and I've been getting loads more ever since – we meet up every couple of weeks for a really dirty session. I know it's terrible of me to cheat on my wife, but I'm not spinning Tanya any lines, and I need to get my end away somewhere!
*Barney, Torpoint.*

AU NATUREL BEAUTY!

**Dear Michelle,**
Just a quick email to say how much I have enjoyed the latest issue of *Men Only*. It's good to see the return of Camilla after so long (even though I don't really dig tattoos!) and Georgie is a real find – more please! However, the real star of the issue for me has to be the delectable Bridgette. She looks terrific on the cover and the photo set of her inside the magazine is simply stunning. My particular favourite is the *au naturel* photo of her at the top of p.19 – tumbling hair, shapely long legs wide apart and completely naked from head to foot – a wonderful image that was a highlight of another fabulous issue! All the best – and keep up the good work!
*Ian, via email.*

**Dot-id.co.uk**
**£79.99**

**The D.1 Stone dildo really is a thing of beauty. Handsculpted from Norwegian Blue Pearl Larvikite (which is apparently 300 million years old, but don't let that put you off!), the high-polished coating, smooth curved finish and double-ended design ensures no end of pleasure. One end has a unique, asymmetric shape, meaning you'll find your G-spot with ease. Because it's made of stone, the D.1 is quite weighty – so don't be too heavy-handed! – and remains cool to the touch until it heats up naturally with your body, or you warm it in water. And, with such a beautiful aesthetic, shining marbled blue and grey with silver flecks, you may just want to use it as a paperweight as well!**

With lube, DVD and cleaning fluid included, you'll only need a hard-on to get started. **Dear Michelle,**

As soon as I saw the spectacular Georgie Lyall on your coming next month page I knew 79.06 was going to be a red letter issue for me, and I wasn't disappointed. What a stupendously sexy lady she is! I simply can't get enough of her milky white flesh, lovely boobs and that perfectly shaven petal of a pussy, which I could feast on for hours and hours without complaint! She's definitely the sort of model who should be appearing in men Only, so now you've broken your duck on that front, please get her back again as soon as possible – maybe in some white suspenders, say? Pretty please!

*Tom, Bracknell.*

**Michelle says: Thanks Tom – and everyone else who wrote in to praise Georgie's charms. Fear not, we'll do everything we can to get her back before too long!**

Well, lookee here – if we haven't got another home-grown hottie lined up, this time in the irresistible shape of Sasha Kane! So what's the south-coast seductress been up to of late?

"Oh, it's been a busy few months for me so far this year! I've moved house, which has been an absolute nightmare, but was definitely worth it, because I love my new place!"

Really? What's so great about it?

"Well, my old place had a really small garden – just a yard, really – which was completely overlooked by our next door neighbours' back windows, so I had to keep myself covered up and respectable when I was out there. The new house, though, is a bit more secluded – there's one area of patio where nobody can see me at all, so I can get out there and relax in the sun without having to feel like I'm being watched whenever I slip a hand inside my panties and play with my clit!"

We were rather under the impression you liked being watched when you're playing with your clit!

"Umm, oh yeah! Still, it's not like I live next door to your readers, is it?"

Well we don't suppose they'd mind much if you did!

## Real Life Adventures

Fancy a flutter? Debbie sounds like a good each way to us!

**I have always enjoyed going to the horse racing. The excitement of the race, along with the flashing colours of the jockeys' silks and the powerful grace of the horses makes for a great day out. I also appreciate the opportunity to dress up for the day, especially at festival meetings where there is a prize for the best dressed lady.**

It was at just such a meeting that I met John, my current boyfriend. John owns a number of racehorses and loves the thrill of watching his horses run. I met him at one of the big race meetings where I was celebrating a small win with some friends in the champagne bar. He was walking through the crowds when he saw me, and without even being introduced, he caught me gently by the elbow and asked if I would like to be photographed beside him with his horse, who had just won the race.

> "As I felt his hard cock prodding against my crotch my pussy juice oozed..."

I had always dreamed of walking into the winner's enclosure, and as John was such a handsome man I readily agreed and allowed him to steer me outside along with the horse's trainer. There were several photos taken of John beside his horse and me on his arm.

I enjoyed all the attention and was happy to join John and his friends to celebrate his win in the owners' and trainers' bar, and from there we went to his box where he was hosting a party.

It turned out that John's girlfriend had let him down at the last minute and he didn't want his friends to know he had been jilted. I didn't care, her loss was my gain, and I enjoyed the many compliments showered on me by John and his rich friends. I texted my friends to say that I would make my own way home, as John had promised to see I got home after the party.

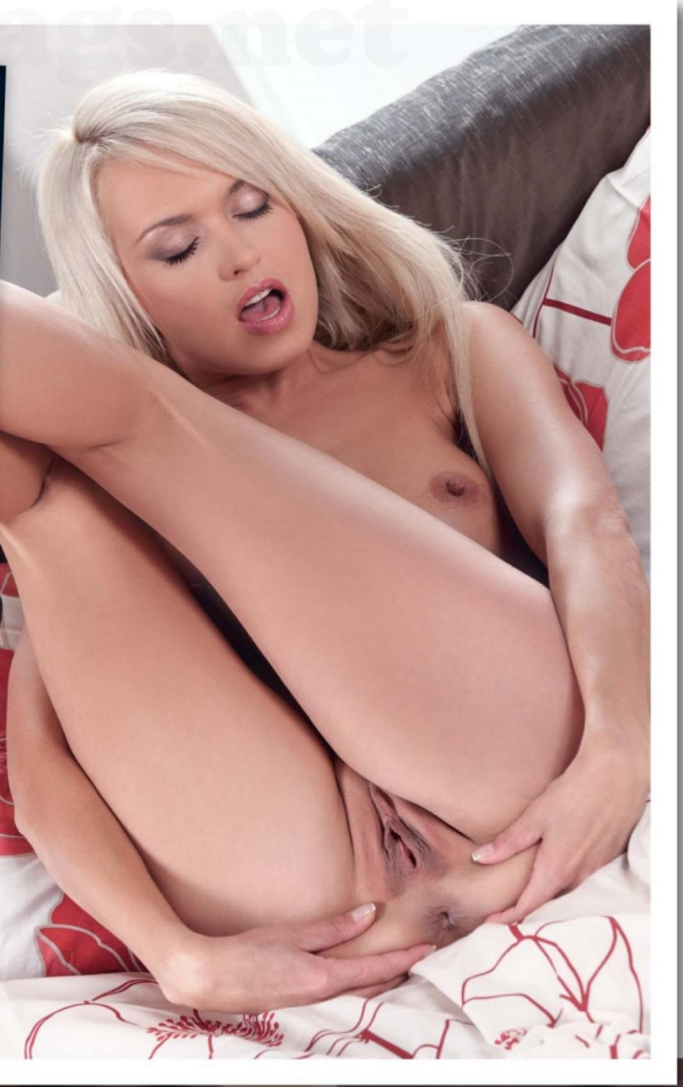
The rest of the afternoon blurred in a whirl of champagne, cheering on horses, and enjoying the growing intimacy between me and John. He could hardly keep his hands off me from the first and I had no objection as I was deeply into him. However, the hotter I got for him the more my knees trembled, and as I was wearing my highest heels it wasn't long before I was struggling to keep my balance.

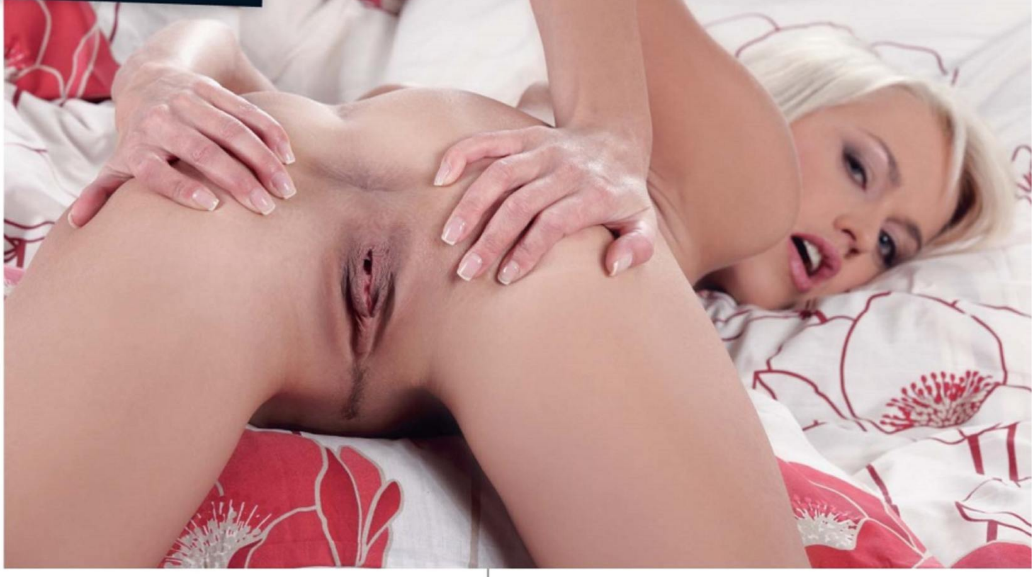
Finally noticing my predicament, he excused us from the crowd, and, steering me down the corridor, pushed open one of the back offices on the race course and barred the door by propping an office chair under the door handle. The office was bare and workmanlike with only an old metal desk and some plastic garden stacking chairs.

He pulled me against him and began kissing me as his hands explored my body through my thin lace dress. As I felt his hard cock prodding against my crotch my pussy juices oozed from between my throbbing labia. My hands fumbled at his zipper as I freed his swollen tool, playing with it gently as I lightly teased it with my long scarlet-painted nails.

My body ached for his touch and when he propelled me backwards into one of the plastic chairs I didn't resist him, but sat with my legs wide apart as and raised my arse to allow him to hike my skirt up and pull my tiny lace panties down. Unclipping the tiny plastic suspenders from my black lace-top stockings. John slid my shoes from my feet and began rolling my stockings sensuously down my thighs, stopping when they were half lowered so that he could kiss my inner thighs and lick up my sex secretions.

My pussy contracted, spasming wildly as his tongue poked between my swollen pink labia. With his hands caressing my legs he hiked them over his shoulders and continued eating my pussy before moving his hands up to play with my DD tits.





The low cut of my dress gave him easy access to the pretty lace half-cups of my up-lift bra and it was not long before his expert fingers were nipping and rolling my erect nipples between his busy fingers.

Gripping the armrests of the plastic chair, my body quivered and my back arched as John plunged his long wet tongue deep inside my throbbing slit, and I came, flinging my head back as my back arched and my pussy went into spasms, squirting my juices into John's eager mouth.

My head was reeling from the pleasure as John pulled me to my feet again, and when I grasped his long hard cock and began wanking it, he became even more aroused. In his passion he bent me across the desk top and flipped my skirt over my back. Caressing my buttocks, he complimented me on the view before pressing his rigid member against my moist pussy lips.

> "He complimented me on the view before pressing his rigid member against my moist pussy lips."

Gripping my hips, John drove his cock inside me to the hilt. The excitement of being speared by this man's cock made me tremble and I wriggled my arse back against him as he started to shunt it in and out of my dripping slit. I gripped the edge of the desk as his thrusts came harder and faster, pushing me up onto my tip-toes with each stroke.

In the background we heard the crowd cheering as they shouted their favourite past the post and the naughtiness of our situation made the whole scenario, having intercourse so close to the crowd, made the experience all the more exciting and intoxicating. My pussy gripped around John's long shaft as it sawed in and out of my pussy setting off little explosions of pleasure.

I held my breath as my orgasm built in intensity. Then he withdrew his cock and suddenly slammed it back inside my pussy, this time shooting his load deep inside me. Holding me steady, he thrust twice more, holding me tightly to him as he pumped the last squirts of his seed inside my pussy and we breathlessly climaxed together.

## THE NIBIRUAN COUNCIL

**http://www.nibiruancouncil.com**

This is "the official site of the Nibiruan Council, a multidimensional off-world council whose members are connected to the people of the planet Nibiru and the Nibiruans' ancient ancestors, the 9D Nibiruans."

OK, nothing weird or out there so far. Let's proceed. "The Nibiruans' mission is to prepare humanity to take their rightful place in the greater galactic community." Good. I'm fairly browned off with life on Earth in any case. Count me in.

"The Jelaila Starr Nibiruans are especially interested in assisting star-seeds and walk-ins." "Walk-ins", eh? That would be visitors to the site. Pray continue… "Multidimensional ascension tools along with an accelerated program for DNA recoding will prepare them to be the teachers and way-showers needed today." Oh, right: so they're not actually taking us anywhere, just recruiting us to pass on the message to others. Pyramid scheme-style. That's a bummer, but you may as well carry on…

"Jelaila Starr is the Nibiruan Councils' messenger and channel. Through her articles, workshops, and lectures, the Nibiruan Council's message has touched the hearts of many people around the world inspiring hope and understanding." Really? Must have missed this one on the News at 10.

Turns out that Jelaila Starr charges cold hard Earth dosh for her "workshops". (All proceeds presumably go to buying her a solid gold mansion with 10% off the top to the folks on Planet Nib-Nab-Nob or wherever.)

There are, however, "Free Mini-Sessions". Please explain. "Jelaila is gifting you session time with your guides. It's 15 minutes to regain your sanity at no charge."

No, sorry, Jelaila, please take your foot out of my front door before I accidentally close it on your multidimensional ankle.

## TREPAN YOUR WAY TO HAPPINESS

**http://www. trepan.com**

Most of us already know that having a hole excavated in one's skull makes you feel sublimely happy about everything (so it's a bit like being a congenital idiot). That's right, friends, "trepanning" – the allegedly therapeutic drilling of the human skull – does all that and more. In fact, advocates of this rather stupid practice swear blind (blind being another way you can wind up if you drill holes in your head) that the exercise actually "improves brain function".

The founder of the organisation behind this deadly serious site, one Peter Halvorson, drilled a hole in his own skull with a power tool and claims to have found profound happiness as a result – though that's just the sort of thing you might say if you were talking through a hole in your head.

The site allows (somewhat contemptuously) that "skull trepanation has usually been considered a strange oddity by archeologists, anthropologists and neuroscientists with no scientific basis". And yet: "numerous individuals have come forward who want to be electively trepanned".

During the period from 2000 to 2004, Mr Happy Hole-In-The-Head Halvorson insists that "competent surgeons were found and a pilot study was instantiated. Fifteen volunteers were trepanned by an experienced surgeon. All surgeries were successful and … all volunteers were satisfied with the results". Though no-one is saying that they didn't roll their eyes back in their head when they said they felt fabulous or that nobody staggered around flailing their arms afterwards.

Most fascinating of all, a "study" trumpeted by the site purports to show that skull trepanation means that the reduced blood flow through the brain characteristic of middle age can be restored to a youthful level by trepanning, so that people like me can remember where they put their car keys.

## QUICK PICKS

### Sing To The World

**http://www.redkaraoke.com/**

Red Karaoke is for people who like karaoke perhaps just a little too much. With over 45,000 songs ranging from classic country to rap, the site enables you to sing along on your mobile in public like an ass. Or, if you want to take such behaviour to the next level you can create a membership (which costs money) and record and create videos of you singing.

The site claims to have more than four million members and to allow you to accumulate fans and make friends. "So go ahead and sing your heart out!"

Red Karaoke's impressive artist list is broad - from The Beatles to some bloke I can't quite place called Elvis Presley (probably a one-man Elvis Costello tribute band, because I've never heard of him), with songs in English, Spanish, and French, from every decade since the 1950s.

### Getting' Mighty Crowded

**7billionworld.com**

This daft-arse site displays each person in the world on a single page, so it may take a moment to load. "Just trust that 7,000,000,000 of us are displayed on this page" say the webmasters, "and that nobody is missing because if you try to count, it would take more than 110 years!"

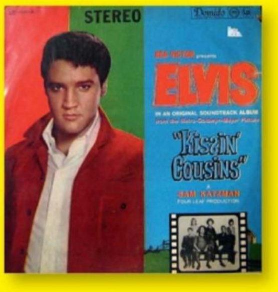
Well, no doubt they'd be 110 years well spent. But why try to display 7 billion people on one web page? "Because 7 billion people so beautifully displayed together on a single webpage is a visual testament of the human condition of every single one of us, and all of us together, on our planet Earth. It is made available for everybody in the world to watch at any time, adding to the feeling of sharing something in common."

Oh. Well, in that case: fair enough.

### Green Light For Incest

**http://cousincouples.com**

This is a site for hillbillies, trailer trash, and indeed anyone who wants to keep their sexual liaisons entirely within the family, inasmuch as it provides support, resources, and information for those who are more than just "kissin' cousins".



"Is the world forbidding your love affair with your dear cousin? You're not alone." The webmasters believe that "the combination of this special intimacy and romance often make for a strong, beautiful, intimate, loving and extraordinary relationship".

# KEIRA

Photos: **Dazglam**

White lacy stockings, suspenders and a laced-up basque? Keira's clearly the type of girl who likes to make an effort to impress…

"Of course I am!" she purrs. "A woman all dressed up in some sexy lingerie isn't just a horny experience for guys, you know – it's also a real turn-on for the girl as well! Even if I'm not in the mood for sex at all (which isn't that often, admittedly), then all I have to do is roll up a pair of stockings and slip on some silky panties and before you know it I'm soaking wet and ready for anything!"

Hmm, so that must mean that, at this very moment, you've got the raging horn, right?

"Yes, of course! And apart from the feel of the lingerie, the fact that I know all your readers are going to be looking at these pictures and fantasizing about me is a massive turn-on. You don't think I could pose like this [at this point she licks a finger and gives one of he nipples a sly rub] if I wasn't feeling horny, do you?"

We guess not! Well you just carry on then, because we'd hate to ruin the moment with too much chat!

"These days I am totally into girls as well as boys. I can't choose one over the other..."

# CARMEN McCARTHY

**Statuesque Carmen McCarthy is an American porn actress of Cherokee Indian, German, Irish and Italian heritage who arrived on the scene from Seattle in 2007. Today she lives and works in Los Angeles, and although she has starred in almost 100 movies, she has always kept a bit of a low profile. Maybe because she is she is also in Med School at UCLA, to become a brain surgeon!**

**When she turned eighteen, Carmen had dreams of becoming a Playboy Playmate. She idolized nude models like Carmen Electra and Jenny McCarthy and even got a Playboy Bunny tattoo on her hip. After high school she sent in photos of herself in hopes of getting a modelling gig for the legendary magazine. That didn't quite come together, though, so eventually she moved on to Plan B... the porn industry.**

**This turned out to be a much better choice for the young brunette, who is using the names of her two Playmate favourites for good luck. Not only does Carmen have a perfectly slutty disposition, she is also a true bisexual with numerous sexual escapades under her belt even before she shot her first movie.**

**Her body sports a few tattoos as well as piercings including the one on her tongue. Since her porn debut Carmen's round firm arse, voluptuous body and natural tits has made her extremely popular amongst male audience who prefer a more approachable look to their porn starlets.**

**How old were you when you lost your virginity?**
I was fifteen and it happened on a camping trip. I was messing around with my boyfriend. We decided to go for a little walk after dark and left the campfire so we cold have some privacy just outside the campground. Next thing I knew he pulled down both our pants and started pushing his dick inside of me. I remember being very wet so he had no problem at all. It was all very exciting!

**Are you bisexual in your personal life?**
Yes, but I didn't really know just how much I liked girls before I went into porn. The porn girls are very sexy and much more forward than girls outside the industry. This was a big plus. These days I am totally into girls as well as boys. I can't choose one over the other.

**What guys are you attracted to?**
I have dated such an array of different guys so I don't have a physical type, but I

“Any guy can pound away on the pussy, but it’s more important he knows how to treat the clit!”

prefer guys who are taller than my 5'9" so that I can wear high heels…

**Who are some of your favourite porn stars?**
I love filming with Kacey Jordan, who is my best friend, and Tori Black. They are beautiful and sexy and have the kind of bodies I'm attracted to. And I love most all men in the business. I haven't had a bad experience yet.

**What's the worst thing that can happen on set?**
It's when the director turns off the air conditioning because it makes too much noise. Fucking under the hot spotlights and trying to look sexy at the same time, in 100 degree studio heat is impossible!

**Can you always get off during a scene?**
No. if I'm not comfortable it can get tricky. But if everybody on set is happy and there are no disturbances, I usually climax during the first or second position. It's not hard for me to come.

**What's the quickest way to get you off?**
I like to be eaten out, along with some expert fingering thrown in for good measure.

**Are you a size queen?**
No, I'm more of a skill queen. I'll take a guy with great skills over a well-endowed guy any day. Any guy can pound away on a pussy, but it's much more important that he knows how to treat the clit.

**What do you feel is your greatest skill in the sack?**
I'm pretty good at deep-throating and taking the cock all the way in to the root. Other than that, I'm considered a versatile performer both with men and women.

**Is there anything you haven't done yet, but wish you could?**
Yeah, I've never done a double penetration scene because my butt hole is very tight. I'm hoping I will improve my anal skills enough to be able to take on several guys in front of the camera at some point in my career.

**What do you do on your days off?**
When I'm not in school or reading medical journals and text books for some upcoming exam, a lot of my free time is spent running everyday errands, like picking up clothes from the dry cleaner's, buying groceries, taking care of my dog or going to the gym. Porn stars have normal lives, too!

**Do you have any long term goals?**
Yeah, one of my goals is to have travelled to forty countries within the next ten years. I want to explore the world, meet new people, get married…

**What sex tip would you like to share with the readers?**
That it's really important to read your partner's reactions and not just assume that they like everything that you like in bed. Slow, fast, hard, soft… Everybody is different, and that's what makes sex so much fun!

# TOMMIE JO

Photos: **BB Media**

Yee-haw! British stunner Tommie Jo may not be a redneck, but she certainly gave us a stiff neck (among other things) as we tried to sneak a look at her posing for this set from the back of the studio! We're not sure what it is about a girl in cut-off jean shorts, but whatever it is, TJ's got it in spades, although she doesn't look too shabby once the shorts are off, either. But does she actually remember *The Dukes of Hazzard*, the show whose Daisy Duke gave so many teenagers the raging horn back in the day?

"I think I'm a bit too young to remember it, actually. The name rings a bell – was there some sort of film a few years back?"

Quite possibly – they've turned practically every TV show worth watching into a film over the years (and even *On The Buses*!), but now we've seen you in that get-up we're never going to be able to think about the old programme in the same way again. Not that we're complaining, mind!

'Stella', as you may know, is Italian for 'star', which couldn't more appropriate, really, because Stella here hails originally from Italy, having settled over here with the intention of becoming a saucy adult star! As you can see, she's made the grade for *Men Only*, so things seem to be going to plan so far, but what does she think on the men over here compared to in her native Italy?

"Oh, that's a very hard question to answer!" she grins, her sexy accent giving away her origins. "I had plenty of boyfriends back in Italy and some of them were great, and some were not so great! So am I supposed to compare British men to the great boyfriends I had, or the others?"

Hmm, best not compare us to the great ones – how about compared to the average?

"Well, so far I've met plenty of guys over here who really know how to fuck a girl long, hard and fast, so I'd say that in general British guys do pretty well!"

Long, hard and fast, eh? Well, we certainly reckon we could manage one out of three…

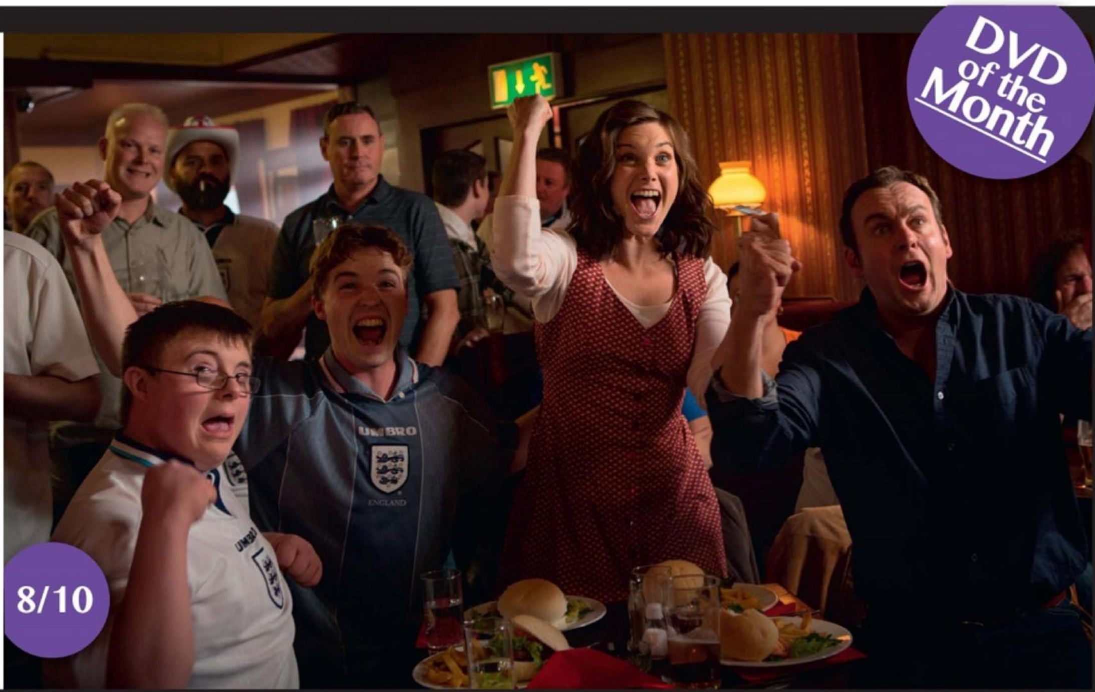
FROM THE MAKERS OF BROADCHURCH AND OCCUPATION

### From There To Here

RLJ Entertainment

**8/10**



It seems like the press release for every single British TV series we get these days has ‘From the makers of *Broadchurch*’ emblazoned on it somewhere, and so it is with this recent three parter which aired on the Beeb not long back. Well, either plenty of people worked on *Broadchurch*, or else those who did have been bloody busy ever since!

Either way, this time it’s not a murder that sets the ball rolling, although there’s certainly a criminal bent to the prime mover, with the drama being set in the aftermath of the IRA bombing of central Manchester back in 1996. Philip Glenister stars as Daniel Cotton, a family man who’s running the family sweet business and doing very well, thank you very much, but who finds his life knocked permanently off course by the bombing. All of a sudden his cosy family life isn’t enough or him, and as he gets involved with another witness to the bombing things start to get complicated…

With comic touches here and there, this is an effective enough drama, with the likes of Bernard Hill and Steven Mackintosh adding a touch of class, and of course Glenister’s always watchable as well!

HP Lovecraft’s stories have inspired plenty of horror flicks over the years, but describing this one as even loosely based on the Lovecraft tale of the same name is a bit of a stretch in anyone’s book! Still, cult horrors can be judged on their own merits, can’t they, and this one ticks a lot of boxes… there’s plenty of splendid gore and grizzly special effects, and the acting, while a bit shonky, is certainly entertaining. The tale involved cats being driven mad because they’ve been fed human flesh and… well, you get the picture. Cult low budget fun from 1994 that’s perfect for a boozy night in.

### Gagarin: First In Space

Entertainment One

THE RACE IS ON
GAGARIN FIRST IN SPACE

Not many people have got names that are pretty well guaranteed to be remembered by every generation that follows, but Yuri Gagarin must surely be one of the select few, thanks to his being the first human to leave the Earth’s atmosphere and travel – albeit fairly briefly – in space. It was way back in 1961, and (not before time, you might think) a proper feature film has been made to mark the momentous event. It’s a Russian film, which stars Yaroslav Zhalnin as the man himself, and captures wonderfully the daring and ingenuity that managed to blast a man into orbit and get him safely back again…

## Re-Animator

Second Sight

Oh look, another horror flick that’s been worked up from an HP Lovecraft tale! Mind you, in the case of *Re-Animator* the film’s probably become more of a classic than the original story ever was, thanks to the sure-footed direction from legendary horror-maker Stuart Gordon. Jeffrey Combs stars as Herbert West, the crazed scientist who devises a serum that can the dead back to life. So it’s basically *Frankenstein* with loads more gore and running around! There are loads of bonus features, too.

## Two Moon Junction

88 Films

Oof – an erotic thriller from the 80s! That’s not necessarily the description you want to see of a film you’re just about to slot into the player, is it? Eye-pleasing Sherilyn Fenn plays a southern belle who’s not behaving quite as her establishment father might hope – especially when she shacks up with an itinerant carnival type (Richard Tyson) while her finacé’s away. Lots of soft focus nudity and shagging ensue, making the film something of a mish-mash. Still, there’s plenty of boobage, so if you liked Wild Orchid you might want to give it a try…

## Enemy Front

Bandai Namco

PS3, X360, PC.

Tying in with the recent 70th Anniversary, there’s been plenty of stuff on the telly and in the papers about D-Day, when the Western Allies finally opened up a second front and ensured that the Germans were squashed between a rock and a very hard place indeed. Still, that isn’t the front in question in this WWII first person shooter – and neither is it the Eastern Front. In face there doesn’t really seem to be a front involved at all. Instead, you play an American War correspondent (don’t worry, you don’t have to file any copy) who finds himself roving about all over the place behind enemy lines. Luckily, instead of wielding a notepad you’ve mostly got a gun to play with, so you can get properly stuck in to the Nazis all over the place, from Norway and France all the way over to Warsaw, where you get heavily and lengthily involved in the famous (and doomed) uprising.

As a no-nonsense shooter this does the trick nicely - the graphics are pretty tidy, and thee are multiplay/team options as well if you get lonely. We were playing with it for hours in the office…

## THE CRACK OF DAWN

**I met Dawn only last weekend and already my sex life has literally turned around. You see, Dawn loves back door banging. I know that it's every bloke's fantasy and sounds unbelievable, but I'm telling you: some girls just love it.**

I met her at a party in Portsmouth and we hit it off. When she was leaving I gave her my phone number and she rang me the following evening. We got together for a few drinks, and as I was walking her out to her car she asked me why I wasn't taking her home "for coffee and a screw!"

I was flabbergasted. No bird I've ever been with has been as forward as Dawn, but I was not going to miss out on a free ride – so I hopped in and gave her directions to my pad. Back at my place I made coffee while she used the bathroom.

When she returned she was naked except for a thong, her big bouncing jugs jutting from her chest like a pair of party balloons. My eyes were glued to her tits and I had difficulty making eye contact with anything but her nips while attempting to chat with her while she drank her coffee.

I just don't understand birds at all. They wiggle around with their tits out like a porn bitch on Viagra and expect a bloke to make sensible conversation. I found myself addressing every reply to her fantastic knockers!

My cock had hardened into an almost painful horn and while she chatted about her day I found myself beginning to sweat. Unable to hold out much longer, I stood up and removed my T-shirt, flexing what muscles I have in the passing and hoping she'd admire my fairly well toned physique. To my disappointment she just looked straight at my crotch and told me to remove my shorts so she could see the size of my prick.

Talk about blunt! I was glad that I am more than just average in the cock department, and slipping off my boxers I displayed my erect penis. She grinned happily when she saw it, remarking that it was a while since she had been "plumbed with a drain-rod that length".

I was slightly taken aback by such crudity. Even my mates stop short of being that gross, but with her enormous funbags waggling in my face I easily maintained my erection. Reaching out, I took a handful of wobbling tit and squeezed it gently, before sucking on the greatly engorged nipple. My balls tightened as I felt a ripple of sheer animal lust firing in my loins.

Reaching for the waistband of her tiny thong-style briefs, I began lowering them. But, laying a hand on mine, Dawn stopped me saying that it would be more stimulating for her if I just pulled them aside while mounting her. I let her have her way. After all it's not every night you get an easy lay – and Dawn was certainly that!

> "Pulling the gusset aside, I began rolling her little bud between my thumb and forefinger."

Pulling the gusset aside, I began rolling her little bud between my thumb and forefinger. When I suggested she lie on the floor so I

> “I automatically sank my face between her cheeks, inhaling the delicate scent of her arousal.”

could enter her I was slightly taken aback when she shook her head and clamped her hands over her minge.

Getting onto her hands and knees she wriggled her smooth, softly rounded arse cheeks in my face, and, looking over her shoulder, asked me quite straightforwardly to fuck her “up the bum”. Momentarily stunned, I hesitated and as I did I was further gobsmacked when she parted her voluptuous buttocks and pulled the G-string hard up between her crack.

Taking a deep breath I surveyed the proffered terrain and found it the most erotic sight I had ever witnessed. Her deep cleft was sharply divided by her thong and I could see the delicately ridged ring of her anal passage peeping from either side of it. It was beautiful – and I automatically sank my face between her cheeks, inhaling the delicate scent of her arousal.

Pulling upward on her thong, I stretched the narrow gusset between her labia and began lubricating her anal rose with my tongue. Dawn wiggled delightedly as I rimmed her delicate pale pink ring, saturating it with my saliva to prepare the entrance for my stonking hard cock.

Feeling her to be ready, I aligned my helmet against her rectal opening and pressed determinedly against it. Her sphincter was tight in spite of her proclivity for arse play, and as it gave way I inched my truncheon inside her velvet interior.

With a moan of pleasure she backed up against me, encouraging me verbally to fuck her arse. Taking her at her word I ploughed on, jerking my weapon hard inside her until it was buried up to the hilt in her warm jacksie.

> “Her internal muscles constricted hard around my swollen prick and I felt my climax approaching.”

Dawn repeatedly slammed her buttocks back onto it in an almost frenzied manner as I plunged my rod in and out of her tight ring. Her internal muscles constricted hard around my swollen prick and I soon began to feel my climax approaching. With one hard shunt I began to spout my jizz inside her as she threw her head back and squealed in orgasm. Her tightly gripping contractions milked every last drop of come from my thoroughly spent and throbbing cock.

After that night of wild anal lust I’m hooked, and I’ve been seeing as much of Dawn as I possibly can – and trust me, that’s quite a lot of her!

# CINDY-CENT PROPOSAL

I've been happily married now for five years. I still think my wife is the most gorgeous woman I've ever seen and can't help but check out the way her arse sways or the way her tits bounce every time she comes into a room. Liz is the perfect woman for me and she knows it, which is perhaps why she lets me fuck other women. When I married Liz, I swore to be faithful and I meant it. Cheating was something that would never have entered my mind, even if there was an attractive woman walking down the street. But Liz wanted me to fuck other women.

"They can borrow your cock," she said. "But I own it." It started off as a fantasy while we were watching porn together. "Mmmm, I'd love to see her sucking on your cock," Liz would mutter.

I joined in. "Me sliding my cock into her tight, wet pussy."

"Oh God, yes."

"Sliding in all the way. Feeling her muscles gripping my shaft, Liz."

"Your cheating cock inside another woman. Her feeling what I feel when you fuck me…oooh fuck!" I could tell when Liz was really losing control as her hand would stop stroking my cock as we masturbated each other. Her hips started dancing and a flood of juices made her pussy slick as my fingers traced out the folds of her slit. "I want you to do it," she sighed. "I want you to fuck another woman."

"Me too," I said, trying to enhance my wife's orgasm by playing along with her fantasy. My wife's legs clamped around my hand as she climaxed with a force I'd never felt before. Her body twisted and arched as though she was being electrocuted.

"I want you to do it," she said, after she'd been still and quiet for a minute or two. "I want you to fuck another woman."

> "Watching my wife lapping at Cindy's pussy is an image that will live with me forever."

"What like a threesome?"

"Maybe. Or just you and her," Liz said seriously. "But until you fuck another woman, you can't fuck me."

"You're kidding?"

But she wasn't. Liz withdrew all sexual favours. No blow-jobs, no hand jobs and certainly no pussy. Within a week I was desperate enough to do what my wife wanted. "So who are you going to fuck?"

"Her name's Cindy." I told my wife all about the cute blonde at work.

"I want to meet her."

"Why?"

"Why wouldn't I want to meet the woman who my husband wants to have sex with?" Liz grinned. "I happen to know that he's got really good taste in women." Seeing Liz and Cindy together was a very strange experience, but not as strange as the topic of conversation.

"So it's like a sex game?" Cindy asked.

"Exactly," Liz said, as though I wasn't there. "We're not allowed to have sex until another woman fucks my husband." Cindy leant back in her chair and ran her fingers through her hair. She laughed.

"So what happens if you don't find a girl who's willing to fuck your husband?" Liz shrugged.

"The dry patch becomes permanent, I guess."

"This is crazy. I've never done anything like this before. How long is it since you guys started the game?"

"Nearly two weeks," I replied.

"So I'm guessing you've got a lot of spunk you want to give me?" I groaned at Cindy's dirty words.

"He has. So you'll do it?" Liz asked, picking up on the positive vibes coming from my work colleague. Cindy gulped down her coffee and nodded with her upper lip still frosted with foam. It wasn't hard to imagine that it

was a spunk moustache and the thought had my cock on the verge of foaming over. "When are you free?" I couldn't believe my wife was making arrangements for me to fuck another woman like this.

"How about now? I need something to wash away the taste of that coffee anyway."

"Now?" I asked, suddenly feeling panic clutching my chest.

"Got something else planned?" Liz asked, with a note of sarcasm in her voice. "Something better than having Cindy here play with your cock?" They were ganging up on me but I really didn't mind.

"I might play with your pussy first," Cindy said teasingly. Despite her best efforts, I saw the alarm in my wife's eyes. Her fantasies had always been her watching me with another woman; she had never imagined herself with the woman. But Cindy wasn't a fantasy, she was real and she had ideas of her own. "Or maybe you could lick mine before your husband fucks me."

Watching my wife lapping at Cindy's pussy is an image that will live with me forever. "Eat me!" Cindy demanded, spreading the thin lips of her pussy. My cock was harder than it had ever been as Liz licked the pink flesh between Cindy's splayed fingers. Cindy had taken control as soon as we'd reached our bedroom. "I think your wife has got a bit of lesbo in her," Cindy said, addressing me. "She licks really good pussy." The beautiful blonde scared me a little. She seemed to have gone a bit crazed once our clothes had been discarded. "Come here. Let me suck your cock." I moved forward and gasped as Cindy gulped down half my prick in one go. It wasn't the way my wife did it. "I love the taste of your cock," Cindy gasped, jerking it with a wet fist, "but I know that your wife really wants to see me fuck you." I knew that was what Liz wanted too.

Liz appeared from between Cindy's legs, her face a mess of smeared lipstick and pussy juice. But it was the look in her eyes which shocked me. If Cindy looked a little crazed, Liz looked like a madwoman. She kissed Cindy and I knew from the way she did that she meant it. Two hands grabbed my cock and pulled it into the mix of lips and tongues but it was Liz's hand which guided my cock into Cindy's mouth. As Cindy's lips formed a perfect circle half way down my shaft, it was Liz who almost made me come. "I want to suck my husband's spunk out of your cunt."

> "I did my best to resist the sensation of Cindy's slippery hole..."

"Oh fuck!" Cindy gasped as she let my cock go. Her face screwed up and she screeched loudly as she orgasmed. I looked down and was shocked to see my wife's hand rubbing rapidly between Cindy's legs. Liz had made my work colleague orgasm and her pussy was still spasming after the girls had rolled into a 69 and I got to push my cock inside Cindy with my wife looking up from between her legs.

"Oh wow!" Liz groaned. "That's some view!" I did my best to resist the sensation of Cindy's slippery hole as I fucked her just inches above my wife's face. "Do it!" Liz panted. "Fill her pussy with your spunk." I went slowly, trying to memorise the sensations of the tight, wet sheath embracing my cock even as it started leaking juices in anticipation of the orgasm to come. Another few thrusts and I was lost, my cock doing a fair impression of a broken fire hydrant deep inside Cindy. I'd never been as turned on as I was at that moment and the orgasm was the most powerful I'd ever experienced. "Let me see, let me see!" Liz demanded, trying to push me away from where I was still pumping into Cindy's hot pussy. Eventually I relented and let my cock slip out, which allowed a long stream of spunk to escape straight into Liz's waiting mouth. She'd swallowed my spunk before but it had never seemed as dirty as it did this time. She showed me the white splooge in her open mouth, then swallowed and showed me it had gone before giving me one of her most angelic smiles.

"Looks to me like you just fucked another woman," she said. "Now get that cock of yours hard again and get it in my pussy. You've got no idea how much I need it inside me right now."

Liz loves to lend out my cock but she's always careful to make sure it's still in good working order when she gets it back.

Home Affairs

*Home Affairs*? It sounds like a department where you'd fine a lot of civil servants worrying about prisons and immigration numbers, doesn't it? Still, judging by the picture on the front of the sleeve, we're guessing it'll be a lot more interesting than that. And so it proves…

Blonde Riley's sprawled in bed, legs splayed wide, having a little play. All well and good, but then in walk Jennifer and her beau and they're not amused! Still, you'll be pleased to hear things are soon resolved amicably enough, with both girls hopping on the stud's cock repeatedly (Jennifer even using her botty to do so) until the lucky sod's pumped his load into Jen's gob. Phew, that was an awkward situation avoided!

Blonde Shawna's been doing a spot of babysitting, but the dad's only got 20 bucks to pay her. Well, clearly that's nowhere near enough, so instead she gets a helping of cock – and mum Tory Lane joins in the fun as well. A good scene, this, and porno connoisseurs will love the sax music that parps away in the background, too!

Allison and her English hubby are lounging around at home when door-to-door flower seller Nikki Rhodes pitches up. Do you need me to tell you what happens next? (Clue: it involves a cock and two pussies.) Nikki's got a genuinely ginger minge, which you don't see too often these days. And there's still two more scenes.Very solid two-on-one fun throughout, with she really eye-pleasing girls as well! **Available from your local sex shop.**

SHARE MY DIRTY FANTASY

Our very own Ava Dalush is feeling horny, flicking the bean and fantasizing about a girl getting pronged by a couple of big cocks. Well, what with this being a spuff flick, we soon cut to a girl who actually is getting fucked by a couple of big cocks – in this instance it's the big-boobed Amy Wild. She's an accommodating sort of girl, as it turns out, and before too long she's got both knobs wedged up her pussy, which you'd imagine takes a bit of doing. Aways struck me as a bit gay, this (let's face it, the blokes are rubbing their knobs together in there), but they stick at it admirably before reverting to more traditional double boning techniques.

After that the sharing dirty fantasies bit rather goes out of the window and we cut to a straight scene in which Ashley gets poked in all the requisite Private ways. It's a similar story for Oriental hottie Sharon Lee (bumming, but no sharing), until we get to Anissa and Jasmine, who share a cock and a lesbo tryst. Henessy sees us out with more frantic bummery. She really is quite a find, this girl!

Oh, and Georgie Lyall from last month's *Men Only*! Don't you hate it when they make a porn flick with so many girls in it you can't fit them all in the relevant section of your review? There ought to be some sort of law that says no more than seven girls in any single film. Hmm, and as it turns out, an abundance of talent is a bit of a problem throughout the film…

There are only two scenes, so (as you've probably worked out) there are multiple girls in each. The first one just features the three (almost certainly Mira, Coco and Henessy, although I wouldn't swear to it.) Things kick off with the girls, along with studs Tony and Marco, laughing away like a bunch of deranged ventriloquist dummies, which is pretty unnerving until they forget about that and get down to shagging. The ratio of three girls to two boys seems to work pretty well, with everyone keeping involved in the action one way or another. Two of the girls give up their backdoors for a plundering, with Mira even getting in the middle of a DP for good measure before they wind things up with the traditional suck-off, all three girls getting splattered with jizz and looking thoroughly pleased with themselves.

Scene two stars everyone else, although it's more of an ensemble piece really, with that many performers in it. There's plenty of filth on offer, too, with cute blonde Lola (I think) really pulling out all the stops and cramming about as much cock into herself as any human could possibly be expected to. On the downside, sometimes it's hard to see the wood for the trees, with so much action taking place at once the camera doesn't really know where to settle. Just as you're getting into one particular group we're off to catch up with some others, which does rather put you off your stroke. Sometimes less is more – although girls tend not to go for that one when it's my cock we're talking about… **Available from your local sex shop.**

Hairy pussies, MILFs and creampies – this flick caters two three different niche markets in one go, which you might think was rather limiting its appeal, but then perhaps viewers who are into MILFs also have a hard spot for pubes anyway, so maybe there's method in Score's madness. Mind you, the first three scenes, featuring Jocylyn, Mikela and Arowyn don't culminate in creampies at all but facials, which is a bit confusing. Maybe a fur pie's something else altogether? Either way, all the ladies are mumsy enough in their own ways, with some a bit wrinklier than others, but they're all game enough cock-jockeys. Highlights include small-boobed Sahara and Josette, who gets a good anal shafting in the final scene, having ordered a masseuse to come round and do the honours. According to the puff on the sleeve, at 54 she's the oldest lady in the film, but she's certainly none the worse for that. Niche alright, but still pretty horny! **Available from your local sex shop.**

BEAUTIFUL SLUTS WHO SUCK COCKS FROM THEIR BUTTS

This one got me confused. Where are all these ATMs with busty fuck whores hanging around them? Every time I get some cash out I'm secretly hoping to bump into a busty fuck whore, but there's never one to be found! Damn it – what's the point of making cash withdrawals in the first place if there's no busty fuck whore handy to blow it on?!

Anyway, after I'd been watching this one for a while it struck me that it really ought to be called *Busty A2M Fuck Whores*, because while the whores in question are busty and fuck, the go in for ass (that's 'arse' to you) to mouth action, rather than any kind of kinky cash machine fun. And fair play to them – pulling a cock out of you bum and shoving it straight in your gob might not be everyone's cup of tea, but Dionne, Kassey, Nora and Nikki seem to enjoy nothing more! I was particularly struck by blonde Kassey, who could pull my cock out of her arse and suck it whenever she liked – as long as I'm still attached to it.

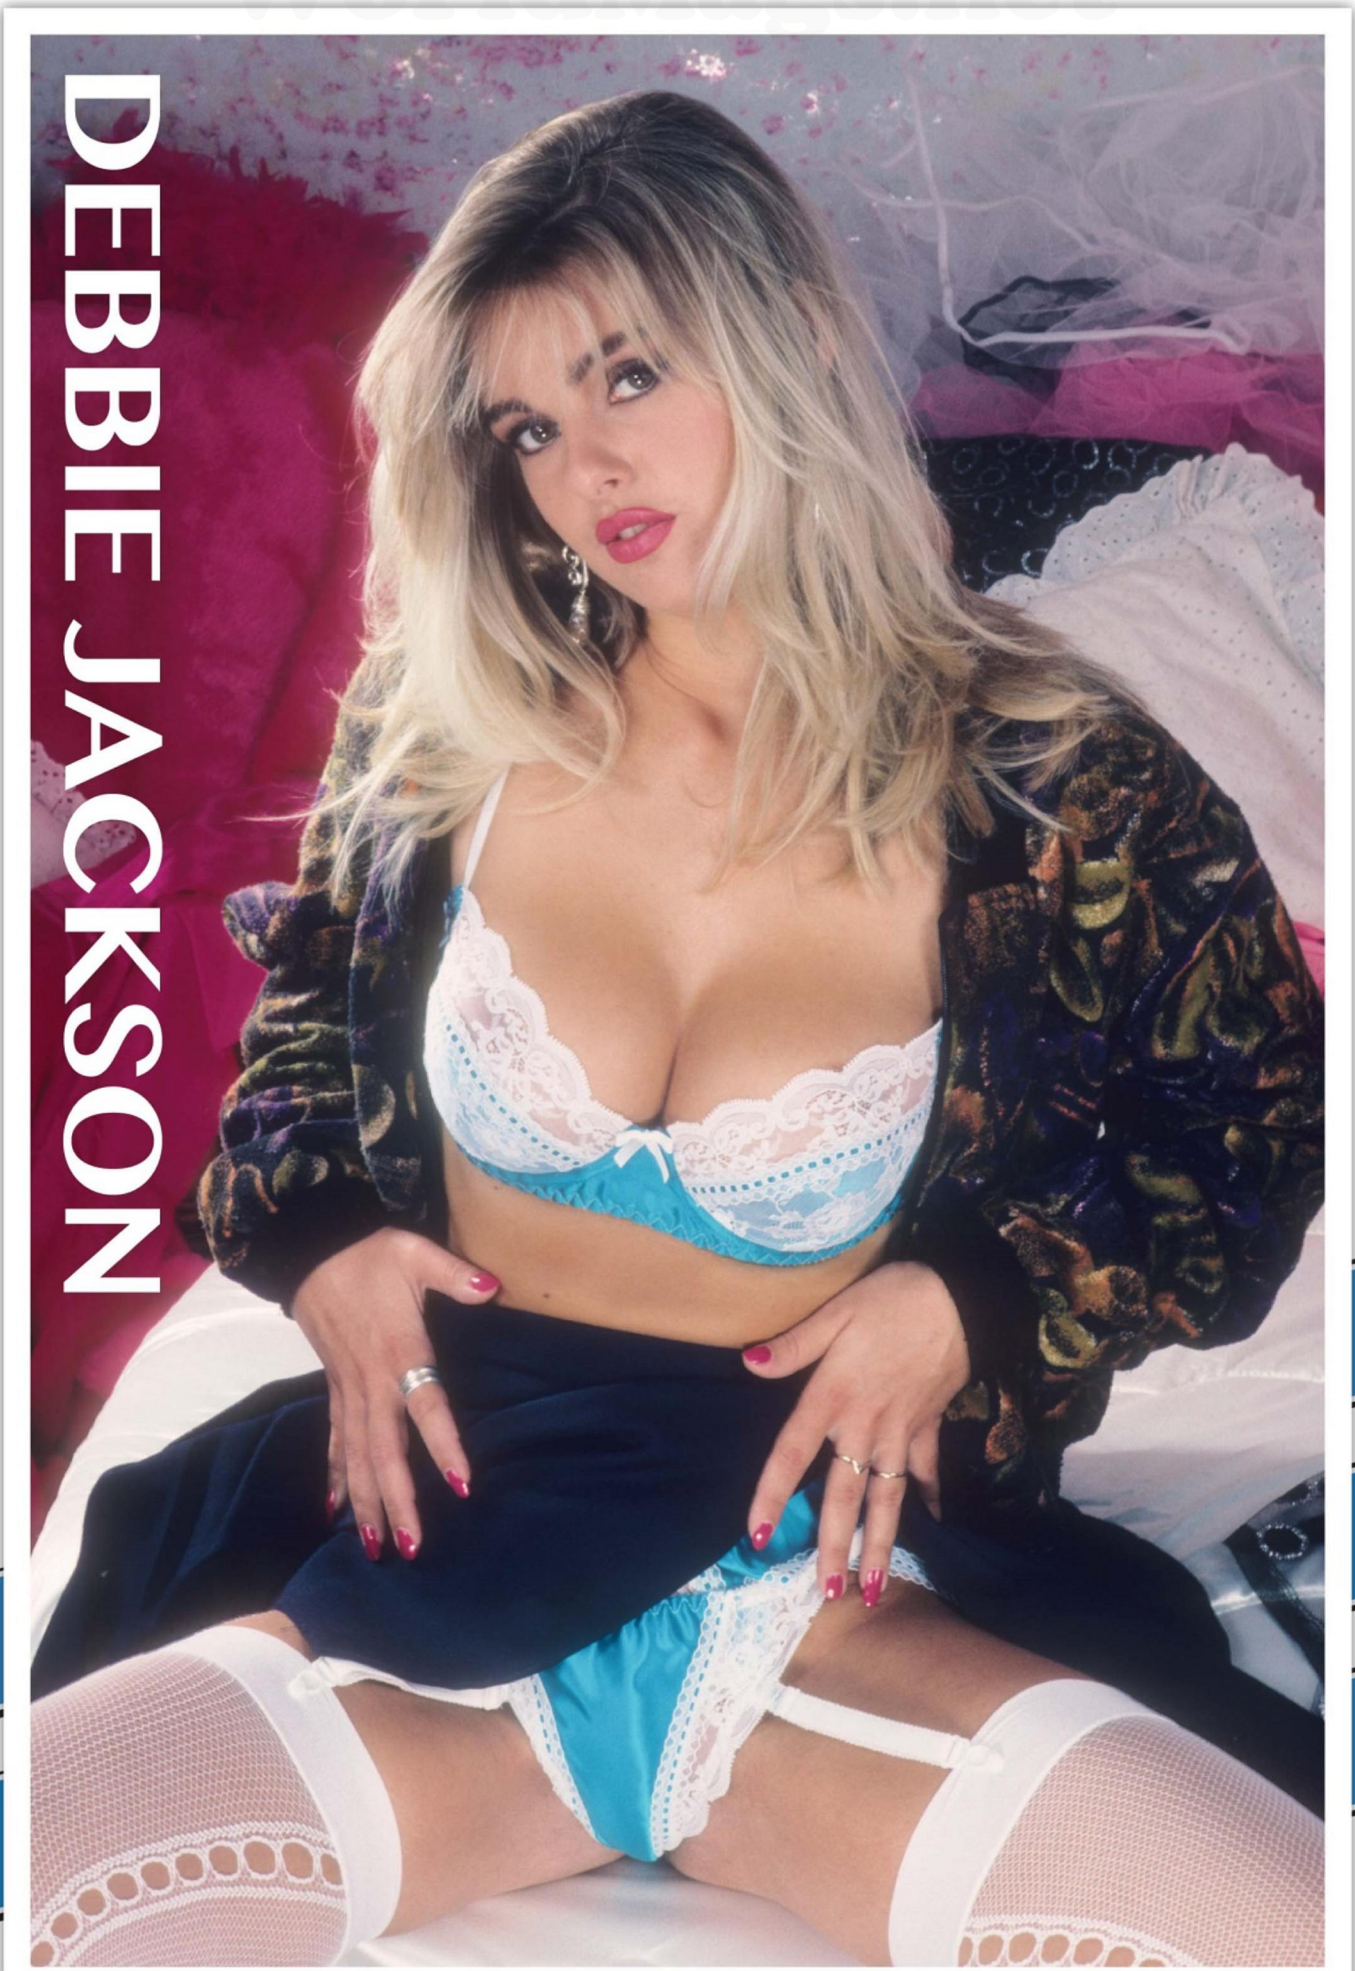
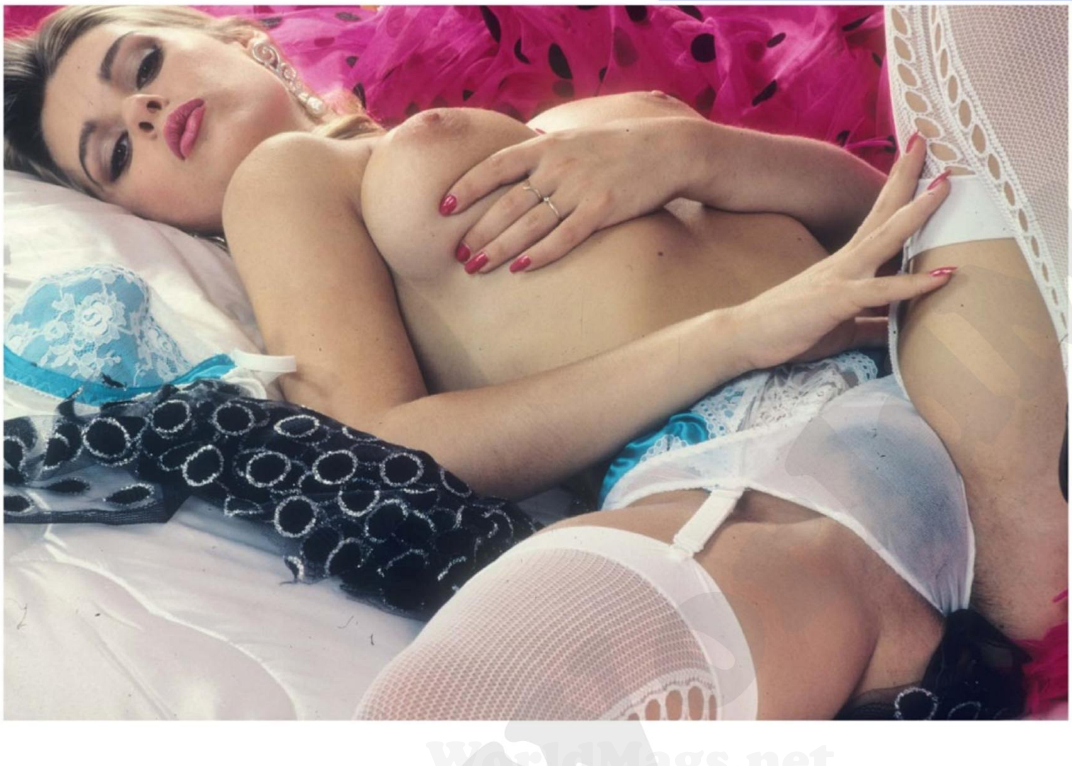
# DEBBIE JACKSON



# VINTAGE Men Only



These naughty pix of Debbie Jackson are taken from a set Joanie Allum shot for for volume 55 issue 13 - what a fine way to see out the 80s! Does it ring any bells with any of our more established readers? If so, here's the good news – one lucky reader can win a copy of the entire set! Just tell us the name of the model who's listed after Debbie Jackson on Joanie's website www.joanieallum.com and email your answers to Men Only, Paul Raymond Publications, 23 Lyon Road, Hersham, Surrey, KT12 3PU, or email us at menonly@paulraymond.com by July 25th 2014!

# LENA

Photos: Sage Style

Beautifully-boobed Lena clearly loves nothing better than spending a nice summer's day larking about by the pool – and who can blame her? If we had a body like that to play with 24/7, we'd probably do the same!

"I'm sure that's not true!" laughs the girl herself. "I mean, you can only play with yourself for so many hours a day, otherwise your life would end up a complete disaster!"

That may well be true, so why don't we call it quits and say something like 2 hours a day? That way, you can get all the boring stuff like eating, sleeping, working etc out of the way and still enjoy some quality 'Me' time at the end of it all…

"Yep, I'd say two hours is about right. If I'm going out in the evening then I might have to hurry things along a bit, but otherwise I think it's a pretty healthy sort of hobby! It's enjoyable, it doesn't make you fat, and gives you a bit of a cardio work-out at the same time!"

So there you go – Lena is all in favour of regular wanks. Probably just as well, now we think of it…

# ASH

Photos: Sage Style

Sadly that's nearly it for another issue of the nation's longest running top shelf title, but we've jus got time to slip in a final dose of trans-Atlantic panache with this set of Ash Hollywood, a hardbodied lovely who's crammed full of attitude. She's been making something of a name for herself in Porn Valley, having been nominated for several of the American industry's benchmark awards, the AVNs. Unfortunately, though, she's yet to actually snaffle one…

"Yeah, tell me about it! I mean it's really great to get nominated for the work I've done, but I'm starting to feel like I'm always the bridesmaid and never the bride!"

Well from where we're sitting we reckon you deserve to win everything going, but it's a pretty competitive field these days.

"It sure is! A lot of the girls pretend that they're not too bothered about the awards, but believe me, when they read someone else's name out as the winner, it kills you inside! I mean, I didn't get into the business to win awards or anything – it's the cock and the pussy I'm interested in! – but a little bit of silverware on the mantelpiece would be nice as well, wouldn't it?"

Well, what can we say? There's always next year, and if Ash is anything like as hot on film as she is in these pics, she's sure to bag something sooner rather than later!
